

SONG 2: WE WILL FIND THE WAY

Lyrics for a rhythmic performance

This piece blends rap and spoken word elements to create a rhythmic and engaging experience. It tells a story of discovery and resilience in the world of Lumira. The tempo is intended to be moderately slow.

Verse 1

(Rap, slow tempo)

I have a compass in my hand
It shows me more than I understand
A hidden world above the sea
Maybe this is where I should be

Hook

We will find the way, we will not be lost
Even in the dark, no matter the cost
With the light inside, we will stay strong
In Lumira, we belong

Verse 2

Skye is here, she knows the sky
She does not run, she will not hide
The lighthouse dark, the danger near
But we are stronger than our fear

Summary

This song explores themes of guidance, resilience, and belonging. The lyrics use vivid imagery to transport the listener to the world of Lumira, where inner strength and determination are key to

overcoming challenges. The blend of rap and spoken word provides a unique rhythmic experience.
